Boys washroom of 1st and 2nd floor is very dirty it should be clean regularly
some of that seats re also broken in washroom ....

God experience up till now teachers and nice work is done smoothly just the washrooms could have been more nicer that would contribute a lot in maintain good hygiene

Canteen food too oily.. n accounts staff too rude to all.. like they are hell very weird with studentd plz remove tht...specially one who sits inside in the cabin

2nd floor boys washroom is so smelly and should be cleaned regularly

Unhyegenic boys washrooms , rude accounts staff , broken devices in electrical lab , broken furniture in classroom , average canteen food , water dispenser dosent work sometimes , it gets really hot in classrooms : coolers required, improper seating arrangement in canteen , lift is not maintained (mostly dont work,lack of safety measures in it), no ac in computer lab.
well maintained chemistry lab.

Unhygenic girls washroom, there is no soap/handwash there. account staf is quite rude .incomplete equipments in laboratories.no benches in canteen, the canteeen food is below average.lift are always out of maintanance.

No ac,no proper dicipline ,average infrastructure,non helpful nature of the college office.
