Student Reviews

Patil sir explains the subject well but he needs to make it little interesting and give little breaks as well.
Concepts are not clear. teachers communication skills are poor.
They are good in maintaining silence in class. never pressure student for any work. some time the lecture also board due to thoretical consecepts.
Gives no proper explanation on any topic
Staff is good but needs to give proper notes and ample of sums for practice and make subject more interesting.
He needs to make the subject little interesting ,as we find it boring many a times. numericals are not taken in class
He shouldnt teach in english. he make the subject interesting he should teach in marathi or hindi. the matter is not deliver properly.
Physics teacher is always helpfull in his syllabus .he is good in physics department.
Lets hoping for good communication from sir ...and understandable language
Need to take more lectures fot better understanding
Helpful teacher. give more attention towards our skills rather than being only portion oriented.
The teaching is good but sometimes i didt get what he is teaching. probably he may be fast according to me
