PROF. R. R. GUJAR Head Of Department Principal, RGIT

Student Reviews

The teacher should explain the subject in a more innovative and understandable manner. focus should be more on the concept and lesser on scoring marks.
Thinks highly of themselves
Good teaching
She teaches theory part very well but she doesnt teaches numericals that well
Teacher should explain still well in the correct proportion
The explanation of concepts needs to improve
Good conduct towards teaching
Very good teacher and her explaination is good
Helpful
