Student Reviews

He teaches very fast, he doesnot solve simple doubt. he always think we should know everything before he teach. he avoids to solve difficult problems. he only teach us only for university test only. h

Teacher doesnt concentrates on weaker students and does not tell any easy way to solve any some

He teaches well but sometimes he is very fast while solving the numericals.

Always before time

1.teaches as if his train is leaving

2. doesnt explain if asked to explain again.

3.often arrogant

Do not give time to think about the question and teaches very fast

Sir, wants to explain thing or topic but he goes very fast so occasionally we cant understand well.

He is in a hurry in completing the portion so the speed is little more than required so if he was slower that would have been better and he assume that we already know about the subject and teaches t

Sir is way to fast...v aint able to grasp whtever he explains ...we all wish to get bb sawant sir for our div...cuz rahul sir is pathetic

Sometimes not able to explain but has a good knowledge of subject

Always before time

Very fast in class like a train

Teaches well now but still need to go with the grasping speed of students

Maths sir has knowledge but we students cant understand his teaching

Inadequate methods used for teaching , no connection of understanding between teacher and student , proper guidance is not given by the teacher

Maths professor is always in a hurry to complete the chapters

Very good sir....proud of u
