Student Reviews - Institute

Institute is great, loved it. please expand the canteen.

Better infrasrtucture

College is very good only the some of the extc faculty are very bad and do not have much knowledge about their subject and and having the bad attitude with the students and do not give the question banks

Bhathrooms not clean should clean them and there is always guthka spitted in bathroom abviosly it is not any stydent who eats it and does it it must be the staff of the college every thing else in college is the best

fans and lights in classes arent working properly and please clean washroom ,ds lab beside 4th floor boys washroom always smell bad . beside this faculty are very helpful regarding subjects and helps us with management and also cmputers during practical are not sufficient for practicing ,else everything is satifactorily good

Kindly replace the fan

We wnt new fans and tubelights
we want edc teacher change asap
we want good light connection
examination cell is anoying and dont help us
and last thing sir who provide us train pass is is mad you should change him

Seating arrangement in college premises
no drinking water available
fans not working in classroom

Sitting arrangement in cafeteria should be provided, usually girls washrooms are not clean

sitting arrangement in college premises. no drinking water available.
Can improve sanitation in washroom and improve management behavior and management
Washroom is untidy and drinking water is not available fans are not working properly
Should maintain labs washroom should be clean maintance of classrom some of instruments in lab should be change
Proper drinking water is not available.
