Student Reviews - Institute

Toilets arent clean and at times there is no water supply. lack of computer instruments in the lab which makes it difficult for the students to get the practical knowledge of the softwares which are being used. administration, accounts and examination cell staffs are very rude and not helpful at times.

1.washrooms are inadequate

2.no mirrors in any washroom of the college

3.less availability of latest books in library

4.lack of computers in library

5.no internet connections

6.we have to give our own internet connection for use

7.in some class room fans are not working, and after complaining it to hod he is like you should write a letter to me about this

8.in labs most of the computers (approximately 8/10) are not in working conditions.

9.no proper supply of water

aur wo railway concession wale ko kis baat ki akad hai pata nahi

principal se jyada akad mai toh wo rehta hai.....

Washrooms are pathetic. doesnt feel like we are in a college in mumbai versova. the attitude of most of the staff and peons is not satisfactory. they have alot of attitude. computers dont work at all. also these feedbacks wont be looked upon to

---

1. motivate students for various competitions and provide facilities.

2. poor infrastructure and less electronic equipments in practicals which leads in decreasing our practical knowledge.

3. provide appropriate schedulde for project work.

4. toilets and water facilities should be improved.

5. lack of teaching skills in some faculties.

6. should provide us an internship which will helps us in building a good cv .

No good hygienic facility,no water facility,bad quality of drinking water,no action is taken after many complaints,no sports ground or no physical activity conducted by college

---

Less equipments , no proper washroom facility. provide sufficient amount of computers so that students can have a good experience and perform their practical well.

Classes ,washrooms are not clean.

no water facility in washrooms

only 2 computers work out of 25 computers

Fix bathroom,add acs,cleanliness could be better,no computer working in computer lab.

Poor facilities such as bad washrooms,no water facility,poor infrastructure,aged tools and equipment,no computers working in labs.

Although faculty is good ,with lack of good and working lab equipments. the college has been highly ignorant about the infrastructure and equipments available to student. the college spirit is killed then and there.

infrastructure also lacks cleanliness. no purified water is available .

the college is not at all responsive about the needs of the student .

although complaining hundreds of time nothing is considered or acted upon.

no regards for the pressure put on the students during the final weeks .

Washroom water issue. computers in lab are not working,

Lab maintance is not proper, pcs are not working, no fresh water and yeah we need ac

---

Lab equipment are old they can change it

The lab equipments do not work, espically the computers.

the fans in the classroom do not work properly.

No proper management lack of facilities and need many new components in lab as there are not in working condition and then teachers see as students fault and tend to five less marks in exams a lot

of biasness can be seen among techers

New equipments requires and better toilets and canteen needed.
