Student Reviews

No .
And therefore the best sir for physics anyone can get.....
Extremely intelligent teacher but it becomes little difficult for students to cope up with the teacher. teacher is usually very fast in explanation and hence if we miss even one line, we miss a lot of
Very good teacher. teacher can try some interesting methods to teach as he constantly speaks which can make the class a hit boring. and therefore, the best teacher
Attendence should be taken after the lecture gets completed some students who are just 15 to 20 mins late wont get attendence and some times if teacher didnt heard the present call even if we are pres
Helpful kabhi kabhi to lagata hai sir he bhagwan hai
Teaching is excellent.comes with huge enthusiasm.
a complain towards physics sir is that , he goes on teaching topics , not knowing whether we are understanding or not. he goes on saying therefore therefore , such that such that
Sir is to fast so we cant understand
Please improve the english speaking and teaching technique otherwise lectures are quit good
