Student Reviews

Helpful

Helpful , sir is down to earth and solves our doubts

Very help-full in nature . able to understand 100% of the sirs explanation . best sir ever for physics .

The sir teaching us is very helpful but the only thing that triggers me is the way he goes on writing the notes by missing out important points to explain

He teaches well,but the way he speaks cant be understan by us. he gives good notes

Very good

Sir really teaches well, makes mechanics a piece of cake, which anyone can eat
