PROF. A.L.MANGRULKAR Head Of Department Principal, RGIT

Student Reviews

Sir never explains anything about the overview or any other topic in the subject. he only comes in class, does 2 numericals (sometimes solved with wrong values), and leaves. he always targets some pic
Bad communication skills
Not so good.
Still full syllabus is not completed and never explains the concept to student. upto this date only 3 module is completed and other is remaining.so lack of teaching in class
Worst
Very good sir
