Student Reviews - Institute

Good

Coperating but dont look in the studen5t feedback

Good

Poor washroom facilities,

Maintaining is required

Unsatisfactory services in return are given back by the institute. total waste of 4 lacs of 4 years. unmaintained lifts and classes. unmanaged canteen and its maintenance. uncleaned classes. get 2 xerox centers! please provide clean water in washroom and clean them on time. the staff on ground floor is rude. please bring learnt professors who have upgraded knowledge and dont irritate students for unnecessary things and rather give more importance to projects

1. pathetic infrastructure maintenance
2. dirty and disgusting washrooms
3. no chairs in the cafeteria for students to sit and eat.
4. its not acceptable to tell students to vacate the cafe when the principle arrives.
5. bad labs with no computers working

No computers in the practical lab.

Need to provide water in toilets.

Equipment in the lab are not working properly need to be fixed

computers are rarely working

there no water in washroom

Improve infrastructure
Not proper facility for sports activity and canteen prices are high.
No proper campus no proper canteen no scope available for sports field at university level
The system is not well maintained, students are always made to do lot of assignments and dont get time for studies
