**Student Reviews - Institute**

Fans are not working properly, computer in the labs are not working, lab assistants of few labs should behave properly

Comps te

Instru se

Girls washrooms are not clean and there are lots of mosquitoes in the basement

Best college in the universe i have ever seen

They should have proper ventilation ...!!!!

Classroom should be coloured

Ac should be in the computer labs

Lights are not working. computers are not working properly. the practical of bda is not happening due to lack of computres.

The system is not well maintained, students are always made to do lot of assignments and dont get time for studies

Needs some serious funds and a new approach to change the institution.
