## Student Reviews

---

Teaches the topics from basics. always sees to it that each and every student understands the sums.

---

Have good knowledge about the subject but he gives only book knowledge no extra knowledge included. bt a really good teacher

---

Teaches nicely, needs to start from basics. very humble, and cheerful personality

---

Amazing teacher !!!

---

Teaches really well.

---

Apna sir bahut mast padhata hai. or talk na kare to or jyada formulas put karke questions solve karata he.

---

Excellent explanation is given to us with examples

---

Very good explanation with appropriate examples

---

Yes some teachers are nice but they should think about that student who cant understand the topic 1st time they should think everybody is not same and plzz think about it
