11	15	3	0	0	0	18	96.67%
12	14	4	0	0	0	18	95.56%

Overall Average :88.8%

Student Reviews

He teaches fast so sometimes it gets difficult to understand and get a grip

Should explain well

Must explain the imp. topics in depth

Teaching speed should be reduced

His way of approaching subject is quite impressive. he spends good time on forming the basic requirements of particular topic. his way of approaching numerical is good. best methodology he taught us w

Show dictate very slow.
