## MANJARA CHARITABLE TRUST

## RAJIV GANDHI INSTITUTE OF TECHNOLOGY, MUMBAI

## DEPARTMENT OF ELECTRONICS AND TELECOMMUNICATION

SEMESTER Year	: 7 : 2019 Div : A
Tour	Student Reviews - Institute
Good	
Coperating but of	dont look in the studen5t feedback
Good	
Poor washroom	facilities,
Maintaining is re	equired
Unsatisfactory s	ervices in return are given back by the institute. total waste of 4 lacs of 4 years.
unmaintained lift	ts and classes. unmanaged canteen and its maintenance. uncleaned classes. get 2
xerox centers! p	lease provide clean water in washroom and clean them on time. the staff on ground
floor is rude. ple	ase bring learnt professors who have upgraded knowledge and dont irritate students
for unnecessary	things and rather give more importance to projects
1. pathetic infras	structure maintenance
2. dirty and disg	usting washrooms
3. no chairs in th	ne cafeteria for students to sit and eat.
4. its not accepta	able to tell students to vacate the cafe when the principle arrives.
5. bad labs with	no computers working
No computers in	n the practical lab.
Need to provide	water in toilets.
Equipment in the	e lab are not working properly need to be fixed

Equipment in the lab are not working properly need to be fixed computers are rarely working there no water in washroom

Improve infrastructure	
Not proper facility for sports activity and canteen p	orices are high.
No proper campus no proper canteen no scope a	vailable for sports field at university level
The system is not well maintained, students are a time for studies	llways made to do lot of assignments and dont get
