SEMESTER : 1

Year : 2019 Div : D

Student Reviews - Institute

Best college in the universe i have ever seen

They should have proper ventilation ...!!!!

Classroom should be coloured

Ac should be in the computer labs

Lights are not working. computers are not working properly. the practical of bda is not happening due to lack of computres.

The system is not well maintained, students are always made to do lot of assignments and dont get time for studies

Needs some serious funds and a new approach to change the institution.
