Some concepts are not clear.

sir write one paper and read that only in whole lecture never include any other important things which are necessary for course and never stop in saying something he always say and say and never sto

Teacher can,t control the classroom and not teach properly.

Want some improvement for explaining the topics from syllabus. also sir always come with 1 presentation and read only in lecture. so this method should avoid bcz everyone not understand by that metho

Too much delay in giving assignment questions which makes submissions hectic

Need to change the teaching techniques and need to explain well

Uses ppt for teaching which student are unable to understnd
