Overall Average :83.57%

Student Reviews

He should explain more clearly.

Good teacher

Teaching is enough good to understand.

Should improve the prounounciation as in rest is rust.... yo,yo.but i,m loving it..

Improve accent and should be clear on what to teach sums should be explained correctly with proper maeks assign to

steps and give us a way of representing our answers well n to manage time

Communication should be improved

Handwriting of teacher is quite poor. we manier times dont get what is written on the board .

Need to improve his speaking skill
